THE 2027 QLD SMOKE ALARM LEGAL REQUIREMENTS

Smoke Alarm Positioning:

At least one Smoke Alarm is to be installed in every bedroom and a minimum of one Smoke Alarm in every hallway outside the bedroom, depending on the property layout. There has to be at least one Smoke Alarm installed on every level, on every apartment floor, and if there is no hallway between the bedrooms at least one Smoke Alarm must be installed, in the most likely path of travel to exit the dwelling.
